

WEDDING CONTACT INFORMATION AND EVENT INFORMATION

Please fill out all requested information so that the Studio can become familiar with the participating parties, venue, responsible parties, and planned events of the day. This helps us ensure that your wedding memories and photographs are a success. If you don't have the information yet, you can submit it to us later.

If possible, we will come to the rehearsal to familiarize ourselves with the location and program and speak with the officiate about photographing during the event.
